1. Estimated Time Required For Trial

The parties estimate that one (1) week will be required for the trial of this matter.

2. Three Alternative Available Trial Dates

Counsel expect to be ready and available for trial during the following weeks: February 18<sup>th</sup>, February 25<sup>th</sup> and March 4<sup>th</sup>, 2013. Good cause exists for setting trial on the proposed dates:

- a. This case concerns an automobile accident. Plaintiff allegedly suffered a spinal injury. Plaintiff contends that he may require future medical treatment and has an appointment scheduled with his doctor in July 2012 to discuss his status including the possibility of surgery.
- b. Because of conflicting schedules and already scheduled trial dates, plaintiff and defendants' counsel are mutually available on the proposed dates.
- c. The parties are interested in possible settlement and will be able to discuss it following plaintiff's visit with his doctor in July 2012. The parties are also agreeable to mediation.
- d. Plaintiff has visited over 15 medical providers (hospital, spinal, pain management, x-ray, etc) for his alleged injuries. Subpoenas have been served on the medical providers. Plaintiff's medical providers have outstanding liens that need to be negotiated, resolved and/or paid.

3. Opinions of Counsel Regarding Impact of Contemplated Substantive Motions

Counsel do not anticipate the filing of any substantive motions at this time. The parties have stipulated to the dismissal of defendant Emerson Electric Co.

4. Request to Extend Time to Prepare Consolidated Pre-Trial Order

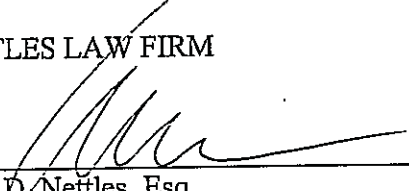

Local Rule 6-1(b): Under Local Rule 6-1(b), every stipulation to extend time must inform the court of any previous extensions granted and state the reasons for the extension requested. No prior extensions have been granted in this case.

1        Local Rule 26-4: Under Local Rule 26-4, an application to extend any date must be  
 2 received no later than 20 days before the cut-off date or any extension thereof. The current  
 3 date for preparation of the Consolidated Pre-Trial Order is June 29, 2012. Accordingly, the  
 4 twenty (20) day requirement is satisfied.

5        Because of the proposed trial date, plaintiff's medical status, counsels' current  
 6 schedules and the number of third-party medical providers involved, good cause exists for  
 7 extending the date for the parties to prepare a consolidated pre-trial order. Accordingly, the  
 8 parties respectfully request the date for the parties to prepare a consolidated pre-trial order be  
 9 set for November 2, 2012.
